*Advisory Notice on Protective Covenants – This notice is to advise you that most subdivisions in Clovis have Protective Covenants affecting the construction in those subdivisions. The City recommends you check your covenant6s to be sure that you are not in violation. Violating Protective Covenants can result in legal action against you by other property owners in the subdivision or other parties to the Covenant’s Agreement. Protective Covenants are a private agreement between private parties; therefore, the City of Clovis assumes no responsibility for their content or for legal action taken because of Covenant violations. You should remember that Protective Covenants can be a serious matter and it is your responsibility to conform to any Covenants affecting your property. Please read your Covenants.
