

ORDINANCE №. 2158 -2022

AN ORDINANCE REPEALING THE EXISTING SIGN CODE CONTAINED IN CODE SECTION 12.12 AND ESTABLISHING A NEW SIGN CODE IN SECTION 17.45 OF THE UNIFIED DEVELOPMENT ORDINANCE

BE IT ORDAINED by the governing body, that is, the City Commission of the City of Clovis, New Mexico:

SECTION ONE. RECITALS: The City of Clovis adopted a comprehensive Unified Development Ordinance (UDO) on June 28, 2019. At the time, the City of Clovis recognized the need for a new sign code, both because of a recent change in law and because the current Sign Code is outdated. For this reason, the UDO reserved Chapter 17.45 for a new sign code. In order to adopt a new sign code, the City must repeal the current Sign Code and adopt a new sign code for incorporation in Section 17.45 of the Unified Development Ordinance.

SECTION TWO. AMENDMENT OF EXISTING CODE SECTION. The following chapter of City Code is hereby repealed in its entirety:

Chapter 12.12 Signs, Billboards and Overhanging Structures

SECTION THREE. ADDITION OF NEW CODE SECTION. The following code section is hereby created and shall be incorporated in Section 17.45 of the Unified Development Ordinance:

Chapter 17.45 – Sign Code

17.45.010 Purpose

The purpose of this Chapter, referred to hereafter as “this Chapter” or “this Code”, is to regulate the size, color, lighting, movement, materials, location, height and condition of all signs within the

City, thus ensuring the protection of property values, the character of the various neighborhoods, the aesthetic value of the City, while encouraging economic development. This Chapter allows adequate communication through signage while encouraging aesthetic quality in the design, location, size and purpose of all signs. This Chapter shall be interpreted in a manner consistent with the First Amendment to the United States Constitution's guarantee of free speech, including its prohibition of regulating signage based on content, viewpoint, or message. If any provision of this Chapter is found by a court of competent jurisdiction to be invalid, such finding shall not affect the validity of other provisions of this Chapter.

17.45.020 General Provisions

- A.** Signs not expressly permitted as being allowed by right or by special use permit under this chapter, by specific requirements in another portion of this Chapter, or otherwise expressly allowed by the City are prohibited.
- B.** A sign placed on land or on a building for the purpose of identification, protection or directing persons to a use conducted therein shall be deemed to be an integral but accessory and subordinate part of the principal use of land or building. Therefore, the intent of this article is to establish limitations on signs in order to ensure they are appropriate to the land, building or use to which they are appurtenant and are adequate for their intended purpose while balancing the individual and community interests identified in Chapter 17.45.010.
- C.** These regulations are intended to promote signs that are compatible with the use of the property to which they are appurtenant, landscape and architecture of surrounding buildings, are legible and appropriate to the activity to which they pertain, are not distracting to motorists, and are constructed and maintained in a structurally sound and attractive condition.
- D.** These regulations distinguish between portions of the City designed for primarily vehicular access and portions of the City designed for primarily pedestrian access.
- E.** These regulations do not regulate every form and instance of visual communication that may be displayed anywhere within the jurisdictional limits of the City. Rather, they are intended to regulate those forms and instances that are most likely to meaningfully affect one or more of the purposes set forth above.
- F.** These regulations do not entirely eliminate all of the harms that may be created by the installation and display of signs. Rather, they strike an appropriate balance that preserves ample

channels of communication by means of visual display while still reducing and mitigating the extent of the harms caused by signs.

G. These regulations are not intended to and do not apply to signs erected, maintained or otherwise posted, owned or leased by the State of New Mexico, the federal government, or the City.
