Press Release

For Immediate Release:

July 21, 2022

CONSTRUCTION ON NORTH NORRIS STREET TO BEGIN ON MONDAY, JULY 25, 2022

CLOVIS, NM - Beginning Monday, July 25, 2022, K. Barnett and Sons will be completing construction work on Norris Street from Putnam to the roundabout. Initial work will include the replacement of existing concrete drive approaches and intersections, and construction of a new sidewalk. While this work is taking place, Norris will be reduced to either two or three lanes, always with at least one lane available for Northbound traffic and one lane available for Southbound traffic. This portion of the project is expected to be completed around the beginning of September.

For questions regarding construction on Norris Street, please contact K. Barnett and Sons at (575) 762-4407.
