**REMINDER: CANINE PARVO VACCINATION**

CLOVIS, NM (May 2, 2023) – Parvo and distemper are very contagious and dangerous illnesses, with severe symptoms that can lead to hospitalization and even the death of your dog. Please ensure your forever friend is vaccinated against parvo and distemper to protect them, your neighbor's pets, and any stray animals that may get picked up by the Clovis Animal Shelter.

For more information regarding the Clovis Animal Shelter, please contact the City Manager's Office at (575) 763-9670.
