**NEW SHOOTING RANGE HOURS**

CLOVIS, NM (*November 4, 2023*) – The City of Clovis is excited to announce a change in operating hours for the Clovis Wing Shooting Complex and Archery Range to accommodate the upcoming daylight saving time. Starting this Sunday, November 5, 2023, the facility will be adjusting its hours of operation to ensure our community can continue to enjoy these outdoor activities safely.

The new operating hours for the Clovis Wing Shooting Complex and Archery Range will be as follows:

**Effective November 5, 2023:**

**Thursday through Sunday: 10:00 AM to 4:00 PM**

The change reflects the adjustment for daylight saving time, allowing our residents and visitors to make the most of the available daylight during the fall and winter months. This update will provide ample opportunity for enthusiasts to engage in wing shooting and archery, and we look forward to welcoming you to our facility.

The Clovis Wing Shooting Complex and Archery Range is committed to offering a safe and enjoyable experience for all patrons. We encourage everyone to familiarize themselves with these new hours and plan their visits accordingly.
